Nebraska Plays host to 47th Junior Four-State Championship

The 2015 Junior Girl's Four-State Championship will be held at Oak Hills Country Club in Omaha, NE on July 1-2. The competition will feature select teams of five competitors from Nebraska, Iowa, Kansas, and Missouri. The format is 36-holes of team stroke-play competition where similar to the NSAA's State Championships the best four of five scores of each round are used for the team total. The medalist is determined by the low two-day total score. The Nebraska team, still to be selected, will be defending their 2014 title they earned in Iowa at last year's competition. Junior Committee Chair, Elizabeth Lydiatt of Kearney, will co-coach the team with Amy Benge of Omaha, both whom competed as juniors themselves in the competition. If you would like to support the team, please contact the NWAGA office (402) 505-4653 x103, or join us on the course to rally behind the team. □

2015 P.J. Boatwright Intern, Cassie Trumbley

Cassie Trumbley of Lincoln will be returning for the 2015 season for NWAGA as our Boatwright Intern. She is still competing at Midland University on their women’s golf team and studying Human Performance-Fitness and Sport Management. We are excited for Cassie’s return in late May and know she will be a friendly and familiar face on the course.

Make sure if you didn’t introduce yourself last year, that you make an effort to say hello and help her network within the women’s golf community.
Thank you for playing and supporting both junior and women's golf through your membership in NWAGA. We look to continue to grow our membership this spring and encourage all members to take time to play with a young girl learning the game of golf or improving her game, teaching her to play with ethics and honor. Each member needs to encourage one young female golfer to enjoy the game helping to keep our sport of a lifetime evolving.

The summer of 2015 affords us opportunities to play at great courses throughout the state. Our NWAGA events are challenging, fun, and events where we renew and grow friendships. The courses will be green, the conversations engaging, and the golf comrades we cherish memorable, and we know that you will just have FUN!

During the 2015 fall general meeting of the members, a need to raise our dues in 2016 was discussed and supported, so that NWAGA continues to flourish and support both women’s and junior girls’ golf for the coming years keeping our organization strong. Consider having the TEE OFF TIME emailed to you. It’s, as they say, “a green thing.” We will continue to discuss a proposed change in dues for 2016 and make a decision as a membership.

Thank you for being a NWAGA member and we look forward to seeing you all in 2015. Consider joining me in the “$1 President’s Challenge.” Play ten rounds and on the 18th hole of each round if you make the putt in one ‘cheer loud.’ If you don’t, donate $1 to NWAGA for each one putt missed and help our organization raise a few dollars for the organization and junior girls’ golf.

See you on the course in 2015 at one of our events. Check out the updates on the website with lots of great information at your fingertips, www.nwaga.org. Also consider asking a golfing friend to join you at one of the scheduled events this summer. When you extend an invitation to play, we all benefit and our tournaments become the place to be ... Play in 2015!

Allison Mead, 2015 Scholarship Winner

NWAGA is pleased to honor Miss Allison Mead of Syracuse as the recipient of the 2015 Founder’s Scholarship. Allison is a senior at Syracuse High School and plans to attend Bryan Nursing School to study Nursing.

Allison was the leader on a small team from Syracuse High. Aside from lettering all four years for golf, a highlight was her senior year, as she earned a trip to the state championships as an individual. Allison finished 42nd in the Class C Championship at Quail Run Golf Course. In addition to golf, she was involved in color guard, band, swim team, 4-H, National Honor Society, FBLA, FCA and volunteered within her community and church.

She said in her essay that, “Golf has molded me into the person I am today. It taught me to be confident, fearless, and strong... Golf gave me that mental toughness that I know a lot of girls in other sports don’t get.” Her essay showed how much golf meant to her and how it has special qualities like no other sport can hold.

On behalf of the Nebraska Women’s Amateur Golf Association, we would like to congratulate Allison on her accomplishments, and wish her the best in future endeavors and wish her the best at Bryan College of Health Sciences.
