The calendar said Spring, but Mother Nature said snow, so the May 1 Spring Meeting was cancelled. I want to thank Eldorado Hills for offering to host our meeting.

We have a **new chapter for NWAGA** this year. For several years, we have hired an Executive Director to run our tournaments and perform all administrative duties. This year, we are partnering with the Nebraska Golf Association (NGA) to run our tournaments and take care of our administrative duties. They have years of experience in doing both, so I feel that we are in very good hands. The NGA has hired an additional seasonal employee, Ken Evans, to help with our requirements. There will also be four USGA Boatwright interns that will assist throughout the summer. You can meet them all, along with the full-time NGA staff in the next few pages.

We also have a **new entry procedure** this year, which is now online only. Valid Entries will be those properly completed on the website with credit card payment of the entry fee. Entries will be accepted beginning at 8:00 AM Central Daylight Time on the opening date. If the tournament fills by 12:00 PM that day, a lottery drawing will determine the field and the order of the waiting list. Notification will be sent as soon as possible to those that make the field and those on the waiting list. The website details the entry procedure on the Competitions page. A full refund will be made to those not selected for the tournament.

We have a **great tournament line up for the summer**, so check out the website for the schedule and encourage a friend to sign up with you.

Teresa
As many of you know, the Nebraska Golf Association (NGA) began handling administrative duties for NWAGA in April. We’re very excited about this partnership and hope the feeling is mutual as we progress through the 2017 golf season. We looked forward to meeting many of you at the Spring Meeting but because of weather we’ll wait to cross paths later this summer. In the meantime, let me introduce you to our staff and give you a brief overview of your new office arrangement.

Our entire full-time staff will play a role in implementing NWAGA’s goals, policies and procedures; specifically, we have divided up the duties of the previous Executive Director as follows:

A new seasonal employee joined us in May. Ken Evans is the Manager of Women’s Services, and his primary day-to-day responsibility will be serving NWAGA. In addition to staff, we have a pool of four interns to assist us this summer. The following page highlights each of our interns.

If you call the NGA office at (402) 505-4653 and select NWAGA (extension 5) you’ll be greeted by an NGA staff member who will be able to assist you or route your call to another person who can help. Unanswered calls will go into NWAGA voicemail; these messages are routed via e-mail to our designated NWAGA contact for reply. Of course you can always e-mail us at nwaga@nebgolf.org.

Again, we look forward to working with all of you in 2017 and please know that if you ever have any questions or concerns, don’t hesitate to contact us.

Craig

Executive Director
Provide direct oversight of NWAGA and manage day-to-day operations including supervision of personnel. I’ll be the main contact for NWAGA leadership, assist with matters related to finance, tournament administration, rules of golf, human resources and any collaborative efforts with allied golf groups.

Assistant Executive Director
Assist with matters related to finance, membership, the USGA Handicap System, tournament administration and scholarships.

Manager of Association Services
Assist with matters related to junior golf, course rating, tournament administration, recognition and communications.

Manager of Women’s Services
Provide seasonal oversight of NWAGA, including management of tournaments.
The Nebraska Golf Association is proud to announce its 2017 Interns through the USGA’s P.J. Boatwright Jr. Internship Program. The USGA established this program in 1991 to create job opportunities for individuals with a career interest in golf administration and to assist regional and state golf associations on a short-term, entry-level basis. The interns will be exposed to and gain experience in areas related to state golf association administration. The interns will provide assistance to the NGA Staff, Board of Directors, and Committee Members in the day-to-day operations of association activities, with a focus on tournament preparation and administration. The Boatwright program supplies tremendous support for the NGA.

The 2017 Interns include three golf administration interns and a fourth with a special focus on communications. Paige Kristensen of Minden, David Chambers of Omaha and Travis Nelson of Lincoln are the golf administration interns. Parker Cyza of Alliance is the 2017 Communications Intern. Learn more about the interns below.

**Paige N. Kristensen**, Minden, NE  
**College:** University of Nebraska at Kearney  
**Major:** Business Administration and Sports Management

**What do you love about golf?** I love golf because it never gets boring. You will never have the same shot twice.

**What excites you about this internship?** I am excited for this internship to learn more aspects of the game on and off the course.

**What is your favorite golf memory?** My favorite golf memory was winning a team state championship in a three-team playoff.

---

**Travis Nelson**, Omaha, NE  
**College:** University of Nebraska-Lincoln  
**Major:** Undergraduate-Agribusiness  
**Graduate:** Master of Arts in Business

**What do you love about golf?** I love how golf is a mentally demanding game that can provide you with a different experience each time you play. No two rounds are the same and new challenges present themselves each time you tee it up. Additionally, I love that golf is a game that can be played for a lifetime with family and friends.

**What excites you about this internship?** This internship excites me because it is the perfect combination of my two passions, golf and business. Not only will I get the chance to work in a sport I love, but I will get the opportunity to learn from and work with knowledgeable industry professionals. I am grateful for this opportunity with the NGA because I know that the challenges I will face and the skills I will gain will be invaluable.

**What is your favorite golf memory?** When I was a young kid playing in a junior golf tournament, my Grandfather decided to come watch me play. This was very important to me because he helped teach me the game of golf and instilled a love for the game in me. Just after making the turn, I hit a 30-foot putt to make my first ever birdie. Seeing the look of pride on his face after I made that putt will stay with me forever.

---

**Parker Cyza**, Alliance, NE  
**College:** University of Nebraska-Lincoln  
**Major:** Broadcasting and Journalism

**What do you love about golf?** The competitiveness of the sport, along with the sportsmanship and the etiquette it brings.

**What excites you about this internship?** Being around golf courses in Nebraska for the summer and providing information from the NGA’s great events.

**What is your favorite golf memory?** Playing on Sunday mornings with my grandpa.

---

**David Chambers**, Omaha, Nebraska  
**College:** Saint Louis University  
**Major:** Marketing with Minor in Sports Business

**What do you love about golf?** I love the mental focus that golf demands. I enjoy not thinking about anything else for the four and a half hours I am on the course. There’s a competitiveness that happens between me and the course. Nothing feels better than posting a low round. Those great rounds are some of my fondest memories.

**What excites you about this internship?** I am excited to learn the ins and outs of golf administration throughout this internship. It’s exciting to be around the sport of golf every day this summer.

**What is your favorite golf memory?** My favorite golf memory is when I was 12 years old at our end of the summer junior golf tournament. After two days of competition, three of us went into a one-hole playoff. A crowd of our peers followed us as we replayed the first hole. I ended up draining a 10 foot putt to win the playoff and I remember celebrating with my friends. Every round I play I am reminded of that win because I won a putter that I still use today!
NWAGA is pleased to honor Miss Lacie Fox as the recipient of the 2017 Founders’ Scholarship. Lacie is from Beemer and will graduate from West Point – Beemer High School this spring. Lacie was a member of the West Point – Beemer High School girls' golf team. Lacie was the Class C District Champion 2013-2016, Conference Champion 2014-2016, and Class C Girl's State Champion in 2016 and 2017. Lacie also participated in FBLA, Student Council, and National Honor Society.

Lacie was also a member of the Junior Girl's Four-State Team in 2016 sponsored by NWAGA.

In August of 2017, Lacie will be a Freshman at University of Nebraska-Kearney where she will major in Physical Therapy and she will be a member of the Women's Golf Team.

On behalf of the Nebraska Women's Amateur Golf Association, we would like to congratulate Lacie on her accomplishments and wish her the best in future endeavors and wish her the best at University of Nebraska-Kearney.

NWAGA was pleased to partner with the Lincoln Women's Municipal City Golf Association in 2017 to offer two $400 scholarships to two seniors in Lincoln and surrounding areas. The Lincoln Women's City Golf Association Scholarship Winners are Sophie Gengenbach and Addison Pogreba.

Junior Girls Four State

Steph Kolbas, Junior Chair, will be putting together the Junior Girls Four-State Team. The team consists of 5 Junior Girls and will travel to Wichita, KS on June 27-29 to compete. These 5 girls will represent Nebraska as they compete against teams from Iowa, Kansas, and Missouri. The format is 36-holes of stroke-play competition where the best four of five scores count each round.

The USGA and The R&A announced the introduction of a new Local Rule that eliminates the penalty when a ball is accidentally moved on the putting green.

The Local Rule became available for any committee in charge of a competition to use starting Jan. 1, 2017. It will be adopted by the USGA and The R&A in all of their championships, qualifying competitions and international matches.

“Eliminating this penalty responds to the concerns we have heard from both golfers and committees about the difficulties in applying the current Rules when a player accidentally causes a ball to move on the putting green,” said Thomas Pagel, USGA senior director, Rules of Golf and Amateur Status. “This change is a good example of the type of Rules modernization changes we hope to implement after completing our fundamental review of all of the Rules. We are looking for ways to improve the Rules by making them easier to understand and apply.”

David Rickman, executive director - Governance at The R&A, said, “For the past several years, as part of The R&A and USGA’s Rules Modernization initiative, we have considered the penalty for a ball that is accidentally moved on the putting green. Both Rules Committees agreed that it needed to be changed and decided that in this particular case it was important to act now, through a Local Rule, rather than wait for the next overall set of revisions to the Rules of Golf.”

The Local Rule has been welcomed by all of the major tours worldwide, and the PGA Tour, European Tour, LPGA, PGA of America and the Masters Tournament are among the golf organizations implemented the Local Rule for all future events, beginning Jan.1, 2017.

If a committee wishes to introduce this Local Rule, the following wording is recommended:

**RULES 18-2, 18-3 AND 20-1 ARE MODIFIED AS FOLLOWS:**

When a player’s ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment.

The moved ball or ball-marker must be replaced as provided in Rules 18-2, 18-3 and 20-1.

This Local Rule applies only when the player’s ball or ball-marker lies on the putting green and any movement is accidental.

NOTE: If it is determined that a player’s ball on the putting green was moved as a result of wind, water or some other natural cause such as the effects of gravity, the ball must be played as it lies from its new location. A ball-marker moved in such circumstances is replaced.

For more information about the new Local Rule, including explanatory diagrams, videos and a detailed question-and-answer document, please visit usga.org/2017localrule.
