MUST BE A MEMBER OF NWAGA TO PARTICIPATE
From the President...

by Pam Gallagher, President

It’s possible the long winter has finally come to an end but having experienced more than one April snow-day in my teaching career, I am not quite ready to think I can put away the snow shoes and keep out the golf shoes.

One thing this seemingly never-ending winter allowed was a chance to read and some of my most enjoyable reading was 35 years worth of *Tee Off Time* magazines. They were enlightening on any number of levels.

I found it was not unusual to have the spring issue talk of excessive snow. The 1975 spring issue had a cover photo of a real snowman taken at The Field Club of Omaha. He was joined in the photo by members of the committee who would later host that year’s Match Play event. The issue noted the “theme for this year’s festivities is ‘Hard Time/Good Times’ very appropriate for these depression, recession what have you time.” So the weather, the economy, and an event at The Field Club of Omaha seem to be on a similar cycle.

Just one year later the *Tee Off Time* noted that NWAGA members may be having trouble getting spring cleaning done because the weather was so nice they were all, no doubt, on the golf course. The one similarity in every spring issue has been how anxious everyone was to start the round of summer events, and I am sure this is true for all of us as the 2010 events approach.

We are excited about the courses available to us this summer. They include classic courses, courses with long histories, links style courses, award-winning courses and courses that will be first time hosts to NWAGA. You will note that the dates for our events are not necessarily similar to the last few years. The schedule illustrates the difficult job of securing sites and dates for our events and how important it is for NWAGA and our members to be good partners to the clubs that are our hosts.

Finally in regard to NWAGA's application for the 501(c)(3) status, in mid-March we received a request for more information regarding our organization. We have complied with the request and will again have to patiently await the final determination.

Now it is time to get ready for a summer that promises both good golf and good times with other golfers from across the state.

One Day “Fund Day Monday” Added to Schedule

In late November, NWAGA was approached by Lochland Country Club in Hastings about hosting a one-day event for our membership. At this same time we were also investigating the possibility of NWAGA beginning to fund a scholarship for a high school senior who had participated on her high school golf team.

While we donate funds to all of Nebraska’s women’s college programs, it has been a number of years since NWAGA has had a dedicated scholarship to an individual golfer. After examining our 2010 schedule, it was apparent that these two ideas were a perfect fit for each other, and so the Fund Day Monday was born.

A committee from Lochland helped us choose a format for the August 9 event: a handicapped team best ball. Teams will consist of four players and scoring will be based on two best balls per hole. This format was chosen for a number of reasons. It differs from our other events. It’s a good event for players of all abilities, and it’s a great format for someone new to NWAGA events.

We hope you will put together a team and help us in our efforts to assist a high school golfer with scholarship funds. We’re certain this Fund Day will be a fun day of golf for all players.
